

## Key Benefits for Pre-PT/OT Students:

- **Hands-On Experience:** Work directly with individuals with mobility limitations, gaining practical knowledge in personal care, lifts, and transfers.
- **Adaptive Equipment Use:** Learn to assist campers with adaptive tools and devices in daily activities and in recreational activities including horseback riding, archery, canoeing, swimming, and more.
- **Holistic Care Skills:** Support individuals with diverse needs, building communication and problem-solving skills essential for healthcare professions.
- **Inclusive Recreation:** Facilitate activities like hiking, swimming, canoeing, and creative arts, ensuring all campers can participate fully.

## Why Camp Easterseals?

- **Competitive Pay:** The pay rate for the full summer camp (11.5 weeks) ranges from \$3,450 to \$4,025 depending on experience.
- **Room & Board:** Accommodations and meals are provided, along with a supportive team atmosphere.
- **Professional Development:** A rewarding experience that strengthens resumes and prepares students for graduate studies and clinical placements.
- **Personal Fulfillment:** Build relationships with inspiring individuals and create lasting memories while fostering independence and growth in campers.
