CONSIDERING A HEALTHCARE CAREER?

- Athletic Training
- Communication Sciences
- Dentistry
- Medicine
- Occupational Therapy
- Optometry
- Pharmacy
- Physical Therapy
- Physician Assistant
- Podiatry
- Veterinary Medicine

Applying to health professions school is a competitive process, so it's important to begin planning early.

- **Find your major**
 - You can choose any major to apply
- **Begin your prerequisite coursework**
- **Get to know your professors**
- **Gain extracurricular experiences**
 - Join a student organization, shadow a healthcare provider, make an impact in your community, and participate in a research project
