

Why This Opportunity is Ideal for Speech-Language Pathology Students:

Camp Counselors at Camp Easterseals Virginia will:

- **Work with Diverse Dysphagia Diets:** Gain practical experience assisting campers with a variety of swallowing needs and specialized meal plans.
- **Use Augmentative and Alternative Communication (AAC) Devices:** Support individuals utilizing communication tools, expanding their knowledge of AAC systems and implementation.
- **Engage with Varied Communication Styles:** Build expertise in working with individuals who exhibit unique social and cognitive communication needs.
- **Collaborate with Like-Minded Peers:** Join a team of passionate individuals pursuing careers in healthcare, education, and disability support.

What the Role Offers:

- **Competitive Pay:** The pay rate for the full summer camp (11.5 weeks) ranges from \$3,450 to \$4,025 depending on experience.
- **Room & Board:** All meals and accommodations provided, allowing counselors to focus on their meaningful work.
- **Skill Development:** Strengthen practical skills in communication support, problem-solving, and caregiving.
- **Invaluable Experience:** Interact directly with individuals with complex communication needs, building a strong foundation for clinical practice.

This position provides an enriching experience that prepares students for future careers in Speech-Language Pathology while fostering meaningful connections and professional growth.
